YOUR PRODUCT AVAILABILITY GUIDE

Last Updated: 4th November

We know how frustrating it can be when one of your customers orders a product and it's out of stock. We always try our best to make sure that this doesn't happen but when it does we want to make sure that you know the best way to tell your customers.

Head over to **Avon Academy** and find out how to tackle product availability with cross-selling techniques to recommend related products, so you can limit any impact to your earnings while keeping your customers happy.

SWITCH IT UP GUIDE

Some of our products won't be available anymore; so, we wanted to give you a chance to stock up before they go. Don't worry though, we have some fab alternatives that we think your customers will love. Take a peek at the Switch it Up Guide where you'll find our recommended alternative products, then, why not encourage your customers to give them a try!
