TURN SAMPLING INTO SALES WITH AMANDA'S TOP TIPS

WHY SHOULD I SAMPLE:

Customers are more likely to buy a product after trying it and seeing the results on their skin. This helps to build trust and loyalty.

MORE SAMPLES = MORE ORDERS:

You never know who's ready to switch up their skincare. Offer all customers a sample or two when delivering brochures or orders.

KNOW YOUR CUSTOMER:

Speak to customers about their current skincare routine, concerns they have and share a personalised recommendation. If they're not sure, offer them a few different samples to try.

FOLLOW UP:

The fortune is in the follow-up. After a few days, follow up with customers to get their thoughts and encourage them to buy the full-size.

SAMPLE NOW, SAVE LATER:

Give customers a sample with a limited-time offer, like 10% off the full-size if they buy within 7 days. This creates urgency for them to buy.

WHAT ARE THEY?

They're the same fragrances you and your customers know and love, in 100 ml refill bottles.

WHY SHOULD CUSTOMERS SWITCH?

Not only do they save money, but refilling and reusing their glass fragrance bottles means less waste which is good news for the planet. Plus, the refill bottles are 100% recyclable!

HOW SHOULD I SELL THEM?

These are perfect for customers who already have a favourite Avon fragrance, so tell them they can get the same beautiful scent and save money with these sustainable refills.

*Refill 100% Recyclable. Separate bottle from cap and pump when recycling. Each 100 ml refill fits only current fragrance bottles with a removable spray pump. It can be used twice to refill a 50 ml women's fragrance bottle, or once for a 100 ml men's fragrance bottle. The fragrance keeps its quality between refills.

SAMPLE, SELL & EARN

Out & About: Always carry samples in your bag. If someone compliments your lipstick or fragrance, give them a sample and jot down their details for a follow-up.

Share the Scent: Spray tester strips with a scent and write the key fragrance notes on it. Slip one into their Brochure or share during a conversation.

Personal Touch: Add a short note explaining why you recommend it and the key benefits – whether it's all-day colour, a confidence-boosting scent or skin-smoothing results.

HOW TO ORDER DEMO PRODUCTS

Place orders from this Focus in Campaign 5, May 2026.

You can order just 1 of each demo product but the good news is you can order as many samples and clearance items as you like, unless stated otherwise or as part of a free offer. Remember, demo products aren't for resale.

Products with a charity donation are not limited to 1 per Rep, so buy as many as you like to support the amazing work of our charity partners.

If stock runs out we may offer you a substitute product of equal or greater value.

All worth prices are based on normal brochure selling prices.

THE NEED TO KNOW

- If you want to return something that came with a free gift, make sure you return all items for a full refund.
- All claims are supported with clinical and/or consumer studies and/or surveys.

All of our home fragrance products comply with the Classification, Labelling and Packaging Regulation and carry all the necessary warnings. To find out more, check out the individual product descriptions on our website: avon.uk.com.

- The planet is important to us, so all our electrical products are compliant to the Waste, Electrical and Electronic Equipment Act 2005 (as amended) and Avon are members of Electrolink Compliance Scheme.
- Please keep sleepwear away from fire. Slippers are for indoors only, unless we say otherwise.
- Any extra contents you see in images are not included, unless we say otherwise.
- Diagrams are for illustrative purposes only, unless we say otherwise.

- All of our watches have a replaceable button cell battery and a 2-year warranty, unless we say otherwise.
- Our earrings are all designed for pierced ears, unless we say otherwise. They can't be returned if the sealed bag is open.
- All our sunglasses comply with British Standard EN ISO 12312-1:2013.

- Once you've found the shade you want to buy, you'll find its order code next to it. No code? Sorry you can't buy it this time but keep an eye out as it may be a sneak peek or available again soon!
- Sometimes we get a bit creative and add more pearls for visual impact. Pearls containers will only include the weight as stated.
- For hygiene reasons, a replacement or refund can't be given if the gusset label is removed from our lingerie.
- Sharp blades shouldn't be sold to people under the age of 18.
